

Muslim Outreach Ministry

History and Ministry:

Mendu and Seniha Veliev were muslims who live in Shumen, Bulgaria. Here is his account of the work that they have been doing for the Kingdom of God:

.....

I, Mendu, have put my trust in the Lord in 1984. One year later, my wife, Seniha started to believe in the Lord Jesus Christ, too. My father wanted to kill us, because we have started believing in Jesus and we have left our former faith Islam. Our relatives started hating us as well, because we have become Christians. We have been through a lot of difficulties and we are thankful to the Lord that He gave us strength to stay firm and keep our faith.

Praise the Lord that now my father, my sister and her husband, the parents of my wife and some other relatives believe in Jesus.

In 1990 God has sent us in a small town to serve Him. For a year and a half we worked for the Lord there and with God's help we have found a small church there. After that we transferred that church in the hands of one family as the Lord called us to the different location.

In 1994 during one church service, the Lord spoke to me and my wife, at the same time, to go and serve among our native – the muslims. We obeyed to His call. Since then we have been serving among the muslims. We started to evangelize in the Turkish villages. We have visited about 18 villages and we have given to the people the Gospel tracks and some brochures. We were invited to go to pray for sick people at hospitals and people's houses. Many young families for whom the doctors have said that they can not have children. But the Lord bless them with children. God has done many miracles and healings among the muslims. Praise be to His name!

In 1999 I was on a missionary work in Kazakhstan. In 2002 my wife and I went twice in Macedonia for a missionary trip among the muslims. Now we are visiting 6 villages. We are meeting in people's homes. My wife works with the children and teaches Bibles for the women. We work with different families to help them grow spiritually, too.

Several times we were threatened. Twice the tires of our car were slashed. But praise the Lord that He keeps us safe from everything.

We see that the Lord wants to use us in this direction – to go and proclaim the Gospel and found churches and make followers of God among the muslims.

Prayer Requests:

- Pray for God's wisdom for Mendu and Seniha to teach the Word of God to the muslim people whom they come across.
- Pray for safety for these two precious brother and sister in the Lord.
- Please pray for the finances needed to provide the work of God.

This older brother is 84 years old and he was a former muslim. He is from the village Mokresh where we also have our Turkish Bible study.

The woman whom Seniha is praying for lives in the village of Mokresh. She works in a local shop and when she has time she comes to our Bible study. She has been married for 10 years now, but they do not have any kids. We pray that the Lord will be glorified in this family to have children, so they can believe in Jesus and to be saved.

We met a young muslim lady who is from Shumen. Her name is Nezatie. We have met her several times and she has an open heart for the Lord. We gave her a New Testament as a present. We ask you to pray for her, so she can know the truth and to accept Jesus as her Savior and Lord and her family, too.

In Novi Pazar, we met Fatme, 75 years old muslim woman. She had a broken leg and when she came out of the hospital, she invited us to go to her home to pray for her. There were other people there to whom we could minister. We went there several times.

We have met a muslim family. The wife is 50 and the husband is 55 years old. They have invited us to their home to pray for the wife, because she has some health problems. She is too over weight and it was too difficult for her to move around. After that they had a desire to come and visit our Bible study in Kaspichan. Later they accepted Christ and in front of the church they asked us to pray for them and to commit themselves to the Lord.

The Bulgaria winter weather is very cold with a lot of snow and we have a lot of difficulties on the road when we travel to the muslim villages.

We are thankful to the Lord that through His grace we were able to organize the seminar for Turkish pastors and their wives in Shumen. 11 families were invited to come from North East Bulgaria. The theme was "What kind of leaders we should be in God's eyes." We have learned a lot of new things from the Word of God. We are thankful to the Lord and Calvary Chapel of Sahuarita for your financial support.
